Chairman’s Message

The exponential rate of change in today’s world demands all of us to keep up pace with the new engineering technologies. I am glad that we at CREC are striving to achieve excellence in learner centered learning process in imparting modern technical education. The healthy academic environment in the college encourages students to learn with passion. Efforts of staff have been evaluated through consistent good results of the students in all fronts.

"I am confident that our faculty, staff and students will keep up the tempo."

Dr. C. Sucharitha
M.B.B.S., MBA (HR)
Chairman

VOLUMES : 40500
TITLES : 6500
JOURNALS : 196

Courses Offered

B.Tech
- Computer Science and Engineering
- Electronics and Communication Engineering
- Electrical and Electronics Engineering
- Mechanical Engineering

M.Tech
- Computer Science and Engineering
- VLSI System Design
- Power Electronics and Drives
- CAD/CAM

POST GRADUATION
- MCA - Master of Computer Applications
- MBA - Master of Business Administration

Highlights
- Innovations by Students & Faculty
- Advanced Laboratories
- High Configured Computer Labs
- Hostel Facility
- Transportation Facility
- Sports & Gym
- Healthy Ambiance with Green Atmosphere

- Continuous Internal assessment makes students more focused in their studies
- With the timely announcement of results students do not miss opportunities for employment and higher studies
- Regular updation of syllabus incorporating latest developments in technology makes students industry and job ready
- Credit based grading system makes admission in higher studies in India and abroad easy
